

Practical trolley accessories

JuCad®

It's your play. The Original.

JuCad rubberized trolley handle / cold protection for all JuCad electric trolleys made of titanium or stainless steel

With the new weatherproof JuCad handle protector cold hands are a thing of the past.

art. no. JGRIFF, EUR 30.-

JuCad charge state display

With the help of the JuCad charge state display, you can check the charging condition of your JuCad Powerpack. The light-emitting diodes reflect the state of charge by five levels, each 20%.

art. no. JLZA (with plug connection), EUR 39.-

art. no. JLZA-M (with magnetic connection), EUR 39.-

JuCad accessory bag

Golf accessories can be stowed away quickly in the practical accessory bag, and are always within reach. Easily installation to the trolley through a Velcro fastener.

art. no. JAC, EUR 39.-
